

EM KERALA 2026

# EM UG IGNITE

EMERGENCY MEDICINE ESSENTIALS FOR UNDERGRADUATES

A focused, hands-on initiative introducing undergraduate medical students to the fundamentals of Emergency Medicine.

The program emphasizes early recognition, systematic assessment, and initial management of common and critical emergencies.

Interactive learning and practical skill stations build confidence in ECG basics, airway and shock assessment, resuscitation principles, and emergency decision-making, igniting clinical thinking and interest in Emergency Medicine.

**19 April 2026**

Amrita Institute  
of Medical Sciences,  
Kochi.
