CODE VENT

The *Department of Emergency Medicine, Renai Medicity* in association with *EMKerala 2026* cordially invites members of the medical fraternity to CODE VENT – a focused, hands-on workshop on mechanical ventilation in the emergency setting.

This program is designed to simplify ventilator concepts, strengthen bedside decision-making, and improve confidence during the first critical minutes of patient management.

The workshop will combine case-based discussions, practical ventilator strategies, and common pitfalls in emergency ventilation.
